A unique blend of JD Jojoba Oil and other natural waxes, create an extremely soft and silky Jojoba based Vegan butter, that is quickly absorbed by the skin, leaving it soft and nourished.

An incredibly rich blend formulated with up to 80% of pure JD Jojoba Oil and other natural ingredients. Provides natural deep moisture while regenerating and restoring the skin, protecting it from excessive dryness. In harmony with nature, our butter absorbs quickly and is the ideal way to improve the skin's appearance throughout the body.

JD Jojoba Butter V is oil miscible, free of preservatives or coloring agents and is completely natural and Vegan. Can be used as a standalone butter or in combination with active substances and scents, creating a unique cosmetic blend.

KEY BENEFITS

Natural, vegan and gluten-free

Contains Omega 9 and Vitamin E

Shelf life of 24 months

Safe to use for all skin types

SENSORY TEST

Consumers prefer JD Jojoba Butter V over an alternative Jojoba butter and Shea butter.
