Recommended dose:	5 to 100%
Packaging:	5kg (standard), 10kg, 25kg (optional)
Applications:	Skin care, sun care, baby products.

A light and smooth oil-in-water base cream that combines the unique properties of JD Jojoba Oil with additional natural based products, creating a smooth texture that is easily absorbed by the skin. Can accommodate up to 20% oil, wax, silicon, water extracts, active ingredients and more, creating a one-of-a-kind moisturizing and mollifying cream.

A natural base containing about 15% JD Jojoba Oil, which is combined with other natural ingredients. This combination of materials is used to create moisture and renew the skin. Can be used as is as a face cream or incorporated with up to 20% of additional substances. This base is very convenient for production, prepared only through mechanical mixture. Simply insert all relevant ingredients and mix for 60 seconds. Ideal for use as a base for face and body creams.

KEY BENEFITS

Natural and
gluten-free

Contains Omega 9
and Vitamin E

Shelf life of
24 months

Safe to use for
all skin types

FORMULA

JD MULTI-FUNCTIONAL DAY CREAM

A multi-functional facial treatment to fight signs of aging, replenish moisture and smooth the complexion, for more luminous appearance.
